

SUPER NORMAL EXTRA NATURAL

by Requardt & Rosenberg

A PERFORMANCE AT O2 SHOPPING CENTRE, FINCHLEY ROAD

BE A PART OF IT

We're looking for volunteer performers of all ages and abilities to join our dancers.

Requardt & Rosenberg present *Super Normal Extra Natural*, a community-based performance made with the people of Camden. We'd love you to be a part of it.

Performed at the O2 Shopping Centre in Finchley Road, volunteer performers from Camden will join professional dancers and dance students from London Contemporary Dance School to perform in front of an audience. As the audience gathers for the performance, no one will know for sure who are dancers and who are audience members. Only as the performance goes on and the show progresses will people discover who's who in this intimate and constantly surprising performance spectacle.

No experience is required, just enthusiasm for moving and performing, and some of your time. Join this is an exciting opportunity to work with the creators of acclaimed experiential performances *Future Cargo* and *DeadClub™*.

Their work combines large scale spectacle with delicate integrity and intimacy through the use of sound delivered through headphones.
