Dear Mr Nicoll, Ms Griffis and Mr Triggs

Following my site visit earlier this week, I have two follow up points I would like the Hampstead Neighbourhood Forum to address.

1. The Forum's response to LB Camden's comments on the Neighbourhood Plan (31 January 2025) offered a revision to Map 5 so that the Network Priority Areas would be shown more clearly. It would be helpful to see this revised map prior to completing my report.
2. Transport for London commented on paragraphs 6.21, 6.25, 6.26 and 6.28 of the Neighbourhood Plan as proposed to be modified. The Forum has not commented on these comments/proposed changes, which begin with a suggestion that there should be a reference to the role of Transport for London in 6.21. It would assist me if the Forum would respond to the points made.

I would be grateful to receive responses to the above by **Monday 24 February 2025**, if feasible.

I can formally confirm that no hearing session(s) will be necessary and I am now in the process of writing up my report.

In the interests of transparency, may I prevail upon you to ensure a copy of this letter, and any response(s) provided, is placed on the Forum and local authority websites.

Thank you in advance for your assistance.

Yours sincerely

Jill Kingaby
